GO WILD OUTDOOR CHILDREN'S PARTIES

Our parties are individually designed for each booking, based on age, ability and preferred activity that your child would like.

Below are the list of possible activities and the minimum time required to undertake the activity. Also this time allowance can be extended if your child would prefer to do more of one activity rather than choose another. For example you can do the Zipwire for 2 hrs and finish with half an hour cooking on a fire, it's your party!
